

Electric

COMPACT 50L
SMART THINGS COME IN
SMALL PACKAGES

Designed to be everything you asked for in a compact water heater, the 50 Litre Electric is MEPS compliant.

We solved the access problem by relocating all the service outlets to the front and unlike some units, ours have remained smaller in size.

160L SQUAT
A BIG TANK MADE FOR
SHORT SPACES

The AquaMAX commitment to innovation continues with the 160 Litre Electric Squat. An Electric Water Heater that brings larger capacity to awkward indoor spaces. With dual inlets and outlets, the 160 Litre Electric Squat brings reliable delivery in a smarter package.

250L-400L ELECTRICS
BIG DELIVERY, LOWER
RUNNING COSTS

The AquaMAX large Electric water heater range provides an option to take advantage of lower cost off-peak tariffs.² Built with dual inlets and outlets (like the rest of the range), the 250-400 Litre Electric range is available in single or twin element models.

VITREOUS ENAMEL ELECTRIC WATER HEATERS

Stay in hot water with AquaMAX.

Award winning AquaMAX high efficiency Electric Water Heaters provide your family with all the hot water they need.

AquaMAX Mains Pressure Electric Water Heaters are built using the latest technology and backed by a **7 or 5 year** cylinder warranty.¹ They are available in sizes to suit most applications.

AquaMAX Electric Water Heaters are made for Aussie conditions, to suit both metro and regional areas.

FAMILIES BIG AND SMALL

AquaMAX Electric Mains Pressure Water Heaters provide families big and small with reliable hot water. AquaMAX inhouse factory testing ensures every new system we build meets our exacting standards whether it's installed indoors or outdoors. You can also take advantage of lower cost off-peak tariffs for added savings on your energy bills.²

HOW DO WE MAKE THEM ACHIEVE OUR STANDARD?

After our cylinders have been fully welded, we apply a high quality enamel coating using the latest multi-head spray equipment to create our enamel lining. Combined with a sacrificial anode and protected by a steel casing with rounded edges, every AquaMAX Electric Water Heater is backed by a 7 or 5 year cylinder warranty.¹
